

## - TAKING HIS NAME UPON US -

Think of things with your name on them, such as your scriptures or a temple recommend. Why do we put our names on things? What does taking the Savior's name upon us suggest about our relationship with Him?

Read President Henry B. Eyring's words and the "Supporting Resources" from the lesson:

"[To take His name upon us] means we must see ourselves as His. We will put Him first in our lives. We will want what He wants rather than what we want or what the world teaches us to want"  
("That We May be One," Ensign, May 1998, 67).
